MARGE HOHNER

TOO MANY DATES

by Marrijane and Joseph Hayes

The problem of getting and keeping a boy-friend is faced by every teen-age girl. Lively, lovely Louanne Miller has a real skill at losing them, and when she asks for help from her girl-friends, the situation gets worse. When the girls demonstrate their complaints in a skit entitled, "If Girls Acted on Dates as Boys Do," the tables are turned.

Mixed into the teen-age stew is a generous portion of the anxiety Louanne causes her loving but harrassed parents.

INSTRUMENTAL STUDENT STAFF

Running a highly complex Instrumental Music Department requires a great deal of behind-the-scenes activity. The problems of uniform issuance, music filing, and related staff duties are competently handled by our student librarians, uniform custodians, and section leaders.

ORCHESTRA

The purpose of the Bergenfield High School Orchestra is to provide orchestral music experience for students interested in playing, and to provide orchestral performances for all students to hear.

The orchestra performs at all regular assemblies in senior high, at Christmas programs, the Spring Concert and other major concert occasions.

The outstanding achievements of the year include the addition of several new compositions to the Bergenfield High School repertoire and proudly numbering among its members, several students who have qualified for the All-State and All-County orchestras. The faculty sponsor is Dr. Bernard Baggs.

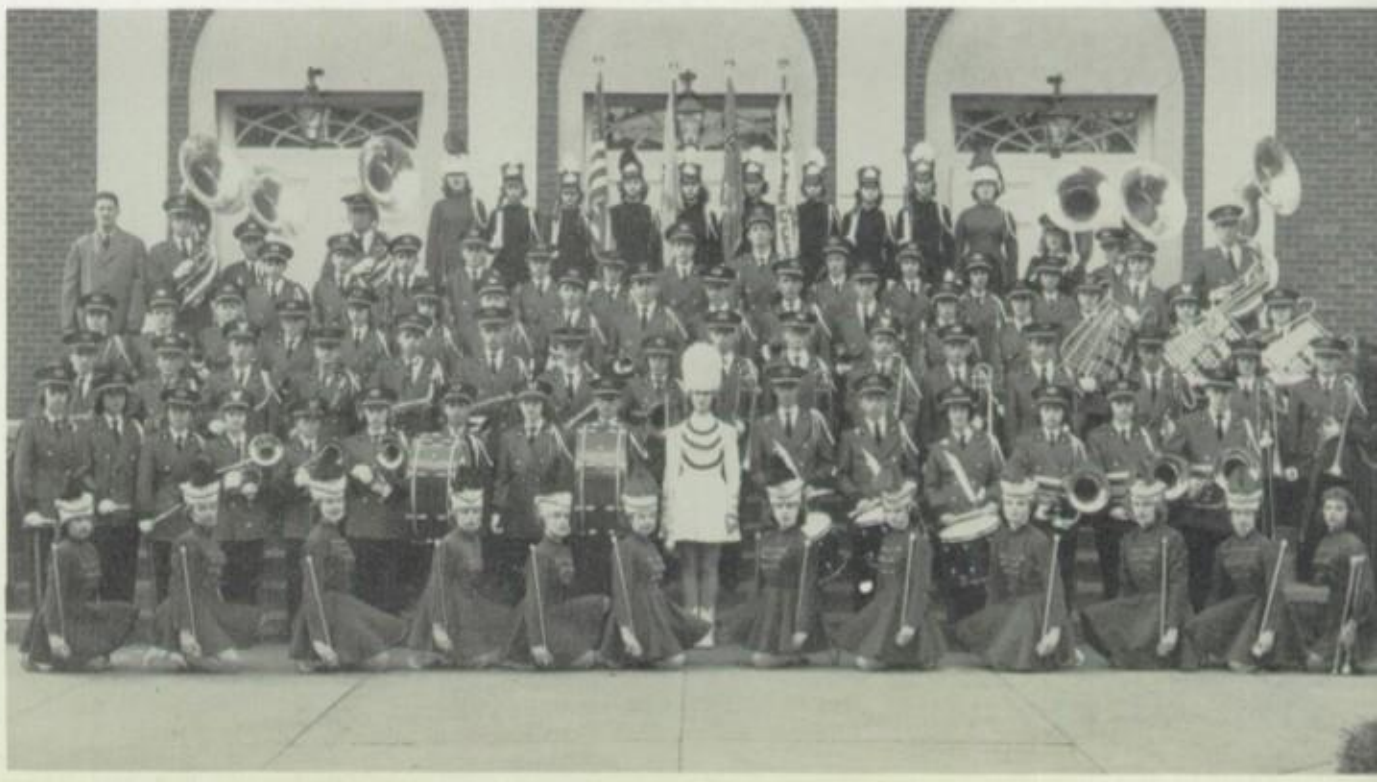
BAND

The purpose of the Bergenfield High School Band is to provide marching and concert band experiences for students interested in playing band instruments and to provide band performances for all interested persons to hear.

The activities during the year include major performances at all football games, home and away; North Jersey Marching Band Festival at Clifton; New York Giants Professional football games at Yankee Stadium; Macy's Parade in New York City; performances at the Spring Concert; the Memorial Day Parade; and others.

Due to its outstanding achievements, the Band has already been invited to return to Clifton, Yankee Stadium, and Macy's Parade next year. An additional invitation was received to perform at Franklin Field, Philadelphia, for a home game of Philadelphia Eagles Professional Football.

The Drum Majorette is Judith Koenig. The faculty sponsor is Dr. Bernard Baggs.



GIRLS' GLEE CLUB

The Senior High School Girls' Glee Club is the major girls' group performing in the senior high school. Membership is determined by audition. The club meets regularly once a week. Performances include the annual Spring Concert and all assemblies. The head section leader is Carol Stillwell. The sponsor is Miss Joan Mason.

SENIOR CHOIR

The Senior High School Choir is the school's major choral-performing group. Auditions are required for membership. Among the Choir's performances are the Concert at the Christmas Program, assembly concerts in the Fall and Spring, and the annual Spring Concert. Other performances include local programs for community groups and area festival performances. The director of the Choir is Miss Joan Mason. Head section leader is Kathleen Hiney and the accompanist is Carol Stillwell.

DOUBLE DOZEN

The Double Dozen is a vocal ensemble composed of twenty-four senior girls chosen from the Girls' Glee Club. The girls participated in the Varsity Show, assemblies, annual Spring Concert, and Christmas Concert. The sponsor is Miss Joan Mason.

The Mighty Mites finished the 1957 campaign with a respectable 5-2-2 record.

The Mites opened with a sound drubbing of Tenafly and climaxed the season by trouncing River Dell on Thanksgiving Day.

The season's highlight, of course, was the Dumont game. The Mites entered the game as the underdogs. They fought to a tie, only to lose in the last quarter. Still, it was acknowledged by all that a fine job had been done.

Coach Charles Baker and his assistants, Robert Alvord and Robert Ellis, have encouraging outlooks on the 1958 season. With 17 lettermen returning and an undefeated Junior Varsity, it looks promising. Coach Baker, however, will lose more seniors; Ed Cichewicz, Frank Cumiskey, Pete Finocchio, Art Latz, Co-Captain; Carl Meyerhuber, Co-Captain; Rodger Nogaki, Dave Ruocco, Steve Walker and Rich Wescott.

TRACK

The 1957 track team's progress may be shown by the fact that all previous school track records were bettered by last year's team. The squad finished with a 6-5 record. A highlight of the season was a second place finish in the BCSL meet. Coach Alvord says, "It was a good season."

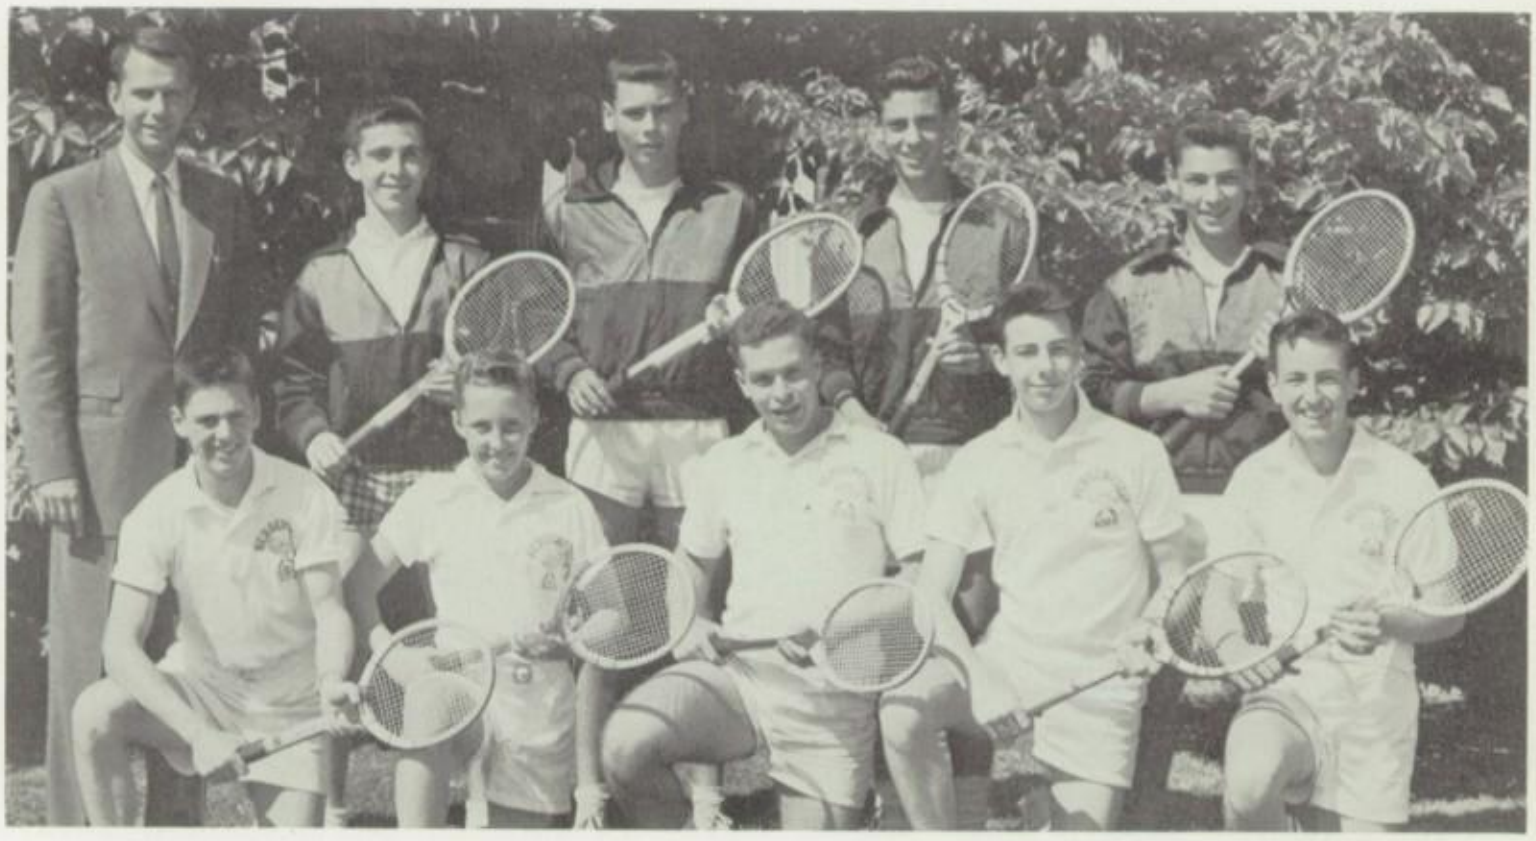
VARSITY TENNIS



The tennis team, young as it is, improved again this year. Carrying a difficult schedule, the Mites posted a 5-11 record.

The main men on the team were Anton Gross, Dave Adler, and Mike Gross, who carried the singles' burden. The doubles were handled by Jim Brennan, Frank Wolpert, Jim Delaney and Rich Dalghren.

Though last year's record was not the best, Coach Ralph Brandt looks forward to next year's season and says the Mites will improve again.

VARSITY BASKETBALL

The basketball team, under Coach John Habeeb in his first season as coach, had a fair year. It posted a 5-12 record. However, the success of the season cannot be based on the record. Many games were lost in the last minute and one must consider that BHS had only one letter-man, Ed Cichewicz. Barry Rover paced the early scoring, while Cichewicz closed fast and finished the season by pouring in 32 points against Westwood in a season high for the Mites.

In his first year as head baseball coach, Kenneth Gulnick brought Bergenfield a BSCL championship.

The Mites started dismally, losing the first two games, but roared back to post a very respectable 13-4 record.

KENNETH GULNICK

WILLIAM COOK

The season was highlighted by the pitching of southpaw Rich Stepanian. Stepanian hurled 48⅔ innings of baseball without giving up an earned run! This, as coach Gulnick said, "is awfully close to a county record—if it isn't."

With the loss of only three seniors, prospects for the 1958 Mites look very good.

VARSITY CHEERLEADERS

The Varsity Cheerleaders, sponsored by Miss Nancy Rowell, are eight of the most loyal supporters of the Mighty Mites.

The purpose of this group is to promote school spirit throughout the student body. Activities include all football and basketball games, pep rallies, cheering competitions, the annual Sports Dinner, and assemblies.

This year's squad consists of Jean Smith, Captain; Florence Knauf, Co-Captain; Barbara Arcieri, Emily Cesareo, Linda Maresca, Janet Glass, Janet Wallace, Karen Flach, and Frances Petracca, Manager. This year's squad also won third place honors in the 1957 Bergen County Cheering Competitions.

JUNIOR VARSITY CHEERLEADERS

The Junior Varsity Cheerleaders are chosen at the same time as the Varsity. They cheer at all J. V. football and basketball games. They also take part in pep assemblies and pep rallies.

SPORTS DINNER

COLOR GUARD

The color guard is a part of the marching band and consists of ten girls. It performs at all functions in which the band takes part. The Captain is Mary Anne Neubauer and the sponsor is Miss Joan Mason.

TWIRLERS

The Twirlers are twelve girls chosen because of their ability. They are an auxiliary unit of the high school marching band. They participate in all band functions throughout the school year. The sponsor is Miss Joan Mason.

CLASS MEMORIES

How proud we all were when we made the step from elementary school to junior high. It seems not too long ago that we became lost in the tangled maze of halls in the huge building. By the time we recovered, we had earned the title of Freshmen. James Hiney was the class president of our first important year and represented our class well. Our two freshmen dances increased our treasury balance, proving their success. Were we proud and excited to show off our class pins when they arrived! We were all so afraid that we wouldn't have our trip to Rye Beach, but as June rolled around we did, and it came off with a bang. Many stomachs were turned after dizzy rides on the roller coasters. Foremost in our minds was the fast approaching Graduation Day. Everyone was a little worried, hoping for a clear night on the eve of Commencement. But never a drop of rain fell and the evening of growing up passed before us with lightning speed and before we knew it, it was over and we were sophomores.

In the tenth grade the newness of high school was still in the air, but we settled down to another successful year with Richard Vaillant as our president. We had two trips that year; they were to Lederle Laboratories, with the Biology class and Mrs. Shanahan, and to Rye Beach again to recapture the good time of the year before. The Thanksgiving Day Parade made us feel proud of our band as we watched their clever maneuvers on T.V.

Then, quick as a wink, we were juniors and only a step away from the very top of the ladder. Our president, Jack Carley, worked as hard as any of us at selling stationery and all-occasion cards. We held two dances and three trips—one to Valley Forge, one to Philadelphia, and the other to the Stock Exchange. Our class broke the record on ticket sales for Junior Plays. Two nights were sold out for the very highly successful "Too Many Dates", capably directed by Mr. Best. Then the scurrying, pushing and shoving began, to select the Class Ring. It was a hard choice, but the square style won out. June came up fast and our last final exams were taken. The day the final marks were issued we knew we had reached the pinnacle.

Entering our senior year, we faced an entirely new way of life—part time. Due to crowded conditions this new format was necessary. Rising early to arrive for the 7:45-12:30 session was quite an ordeal at first, but soon the morning seesion was over, and we found ourselves leaving school at 5:30. Beginning in September and during the year, we sold book covers, Christmas cards, and, of course, our own 1958 edition of the Crossroads. Everyone got to know Rodger Nogaki this year, for he was the president of the senior class and a very able leader. Last minute preparations and memorizing lines was a common scene around the auditorium during the days before the Junior-Senior Play, entitled "Junior Miss." Miss Louise Frownfelter directed the classes in the production which received high praise from everyone. Carl Meyerhuber amazed everyone at the Christmas Dance as Santa—perfect casting! Miss Terra and the committees were busily reaching final preparations for the Crossroads. During the first month of yearbook sales, the class managed easily to sell well above the stated quota. The Variety Show, Christmas Pageant, and the Spring Concert were also big events of the year, and Mr. Hunter's "Mock Trial Assembly" was agreed to be the "most." The fortunate members of Student Congress were looked upon with envy as they took off for Washington, D. C., on a trip lasting three days. Quickly the days flew by and before we knew it we were being measured for caps and gowns. The question of the prom was on everyone's mind. Could we have it out of school? "The answer is yes", as Mr. Hunter would say, and after committee meetings, the Swiss Chalet was chosen. This would be the last big social event of the year for the seniors, and 170 couples rushed to sign up for a gala affair. When June 13 finally rolled around, the boys in their tuxes and the girls in their formals whirled around the floor to the scent of beautiful flowers. Our days were being numbered and the big moment we had waited for since 7th grade was drawing near—graduation. And then the moment arrived. The band played "Pomp and Circumstance" while two lines of graduates marched on, one in white and one in blue. The time to say good-bye had come. Today we would leave behind some of the most memorable and treasured moments of our lives.

Carol,
("Little Termite")
Always remember the good times we had at parties, dances, roller skating, and swimming this past year. But most of all remember the Prom this year and I hope we will have just as good times. Keep fighting the recession by shewing up your pencils. You'll always be different because of your queer fingers and hands. Stay the same as your are and you'll go far. Lots of luck and success in everything you do and everywhere you go.

Jim
